PAYMENT OPTIONS

Each family must set up a student account and choose a payment plan through the FACTS tuition management website. One-pay, two-pay, quarterly, and monthly (based on 11 months) payment plans are offered through FACTS. Creating a FACTS account and selecting a payment plan must be completed by April 1, 2019. No student will receive class schedules if these two steps are not completed.

FINANCIAL AID

The total cost to educate each student is more than \$10,100. ACCHS discounts this cost to keep the total tuition and fees as affordable as possible for our families. In addition, ACCHS does offer financial aid to those families that qualify based on financial need. Financial aid applications must be submitted each year through the FACTS website. Maximum consideration for financial aid will be extended to all families that have submitted their completed applications by April 30, 2019. No new Financial Aid applications will be accepted after November 1, 2019.
